МАДОУ «Детский сад «Колобок» го Рефтинский

Лего-квест «Волшебство прощения»

Подготовила воспитатель ВКК Гребенкина И.А.

Я маму мою обидел,
Теперь никогда-никогда
Из дому вместе не выйдем,
Не сходим с ней никуда.
Она в окно не помашет,
Я тоже не помашу,
Она ничего не расскажет,
Я тоже не расскажу…

Обидел тебя, родная, словами.
Волнуясь, иду тихонечко к маме:
Ну, отругай, накажи меня строго,
Но только не плачь, прости, ради Бога!

А мама моя улыбнулась вдруг мило
И тихо сказала: «Давно уж простила».
Я маминых слёз никогда не забуду,
И больше грубить никому я не буду.
